INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form 8–150) as members of the families in which they are found. All Indians or negroes living in Indian families should be enumerated on this special Indian schedule, and every family composed entirely or partly of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the sheet numbers being printed twice to the page. Columns 1 to 46 are to be filled for each individual, as follows, in accordance with the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Follow instructions so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you use two or more general population schedule (Form 8–150) and this schedule for Indian population, number the dwelling houses visited for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the number of dwelling houses visited, and, likewise, the last number in column 2 on this schedule will be the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the correct ages, as Indians frequently reckon their ages from notable events occurring in the history of the tribe, and it may be necessary to ascertain the years in which these notable events occurred, and with a little calculation you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If a person or child has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S. 1550) as members of the families with which they live. Indians or negroes living in Indian families should be enumerated on this special schedule with the Indian families in which they are found. In other words, every family composed wholly or in part of Indians is to be entered on this special schedule and every family composed wholly of persons other than Indians is to be entered on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the lines on the two sides running twice to the page. Columns 1 to 46 are to be filled for each Indian, as directed in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form S. 1550) so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given subdivision, the enumerator uses the general population schedule (Form S. 1550) and this schedule for Indian population, he will use consecutive numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will be equal to the last number in column 1 on this schedule added to the last number in column 2 on the general population schedule, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some difficulty may be found in securing the ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe. Inquiry should be made to ascertain the years in which these notable events occurred, and with a little patience the enumerator will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting enter the occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a minor child and has no occupation and is wholly dependent on the Government for support enter "at home" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government enter the occupation in columns 18 and 19, and then the letter "P" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making a census of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families should be enumerated on the general population schedule. Form S-1330 as members of the families of white or negroes living in Indian families should be enumerated on this special schedule and in the families in which they are found. In other words, every family composed entirely of Indians should be entered on this special schedule, and every family composed mainly of persons of white or negro blood on the general population schedule.

Spaces are provided for entries for 20 persons on each side A and B of the sheet, the lines running twice to the page. Columns 1 to 46 are to be filled for each individual. See special instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, a general population schedule (Form S-1330) and this schedule for Indian population are used, the numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be the last number in column 1 on the general population schedule which is used in the same district, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the ages, as Indians frequently reckon their ages from notable events occurring in the history of the tribe. To ascertain the years in which these notable events occurred, and with a little calculation will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter [illegible] in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian child has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used to enumerate [illegible] both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families [illegible] general population schedule (Form S 1580 as members of the families in which they live. Indians or negroes living in Indian families should be enumerated on this special schedule with the families in which they are found. In other words, every family composed entirely or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons other than Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the lines running twice to the page. Columns 1 to 46 are to be filled for each individual according to the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule, so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, the general population schedule (Form S 1580) and this schedule for Indian populations are used, the numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and, likewise, the last number in column 2 on this schedule will give the whole number of families visited and enumerated. [illegible] population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe. In order to ascertain the years in which these notable events occurred, and with a little comparison, the enumerator will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian child has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" for ration.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe, and will be necessary to ascertain the years in which these notable events occurred; and with a little [illegible] you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter [illegible] in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian [illegible] child has no occupation and is wholly dependent on the Government for support, write "[illegible]" in column 18. INSTRUCTIONS FOR FILLING THIS SCHEDULE

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in this country, ascertain, if possible, to inquiries 12, 13, and 14, relating to the state or country of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe of each of his or her parents, and enter the name of the tribe of each of his or her parents, and other information in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is a full blood Indian, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as one-half, one-quarter, one-eighth, one-sixteenth, etc., in column 36, whites in column 37, and negroes in column 38. For Indians of mixed blood all three columns should be filled, and the sum of the fractions in each case, should equal 1, as 1/2 + 1/2 + 0; 1/2 + 1/4 + 1/4; 1/2 + 1/4 + 1/8 + 1/8; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns property upon which he or she actually pays taxes or rents; or if he or she is living with his or her tribe but has received an allotment of land and thereby has acquired citizenship. In either of these two cases write "Yes."

An Indian on a reservation, without an allotment, or receiving per capita payments, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ" (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S-1580) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule, in the families in which they are found. In other words, every family composed entirely or in part of Indians is to be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians is to be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the pages being numbered running twice to the page. Columns 1 to 46 are to be filled for each individual person, as explained in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Follow instructions so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see pages ix–xi of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you use more than one general population schedule (Form S-1580) and this schedule for Indian population, number the pages consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in a given district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, who frequently reckon their ages from notable events occurring in the history of the community. In such cases ascertain the years in which these notable events occurred, and with a little calculation in most cases you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian (man, woman, or child) has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S-1580) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule, in the families in which they are found. In other words, every family composed entirely of Indians should be reported entirely on this special schedule, and every family composed mainly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case of population according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Follow the instructions so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S-1580) and this schedule for Indian population, make two separate series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the people or tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in the United States, ascertain, if possible, to inquiries 12, 13, and 14, relating to the birthplaces of the person and of his parents. In any event, take particular pains to secure the name of the tribe to which he or she belongs and the name of the tribe of each of his or her parents, and enter the name in column 33, 34, or 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian has no white or negro blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian has white or negro blood, write in the fractions which show the proportions of Indian and white blood in column 36, of white blood in column 37, and of negro blood in column 38, negro blood. For Indians of mixed blood the three columns should, in each case, should equal 1, as 1/2, 1/2, and blank; 1/4, 3/4, and blank; 1/8, 7/8, and blank.

Wherever possible, the statement that an Indian is full blood or mixed blood should be based upon the knowledge of the tribe, as an Indian is sometimes of mixed blood without appearing to be.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he has but one wife, leave this column blank.

Column 42. Graduated from what educational institution.—If the Indian has graduated from any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns property, real or personal, in his tribe and is living among white people as an individual, and he owns property, real or personal, whether he actually pays taxes or not; or if he or she is living with his or her tribe, but has severed tribal relations and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied lands, is to be considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized type, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column. If the Indian is living in a house or dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8-1589) as members of the families in which they are found. Indians living in white or negroes living in Indian families should be enumerated on this special schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported entirely on this special schedule, and every family composed mainly of persons not having Indian blood should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries being made across the page, running twice to the page. Columns 1 to 46 are to be filled for each individual. Use ditto marks where indicated by the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form 8-1589), and so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to the filling of columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8-1589) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the proper ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the people rather than by years, and to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in the United States, enter the name of the tribe to which he belongs, if possible, to inquiries 12, 13, and 14, relating to the state or territory in which the person and parents were born. If any, enter "U. S." If any of the Indians were born in Canada, Mexico, or some other foreign country, enter the name of the country. In any event, take particular pains to secure the name of the tribe to which each Indian belongs, and the name of the tribe of each of his or her parents, and enter the names in columns 34 and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is a full-blood Indian, write "1" in column 36, and leave columns 37 and 38 blank. If the Indian is not a full-blood Indian, write a proper fraction in the fractious which show the proportions of Indian and other blood, as follows: In column 36, write the fraction of Indian blood; and in column 37, the fraction of white blood; and in column 38, negro blood. For Indians of mixed blood, the sum of the three fractions, in each case, should equal 1, as 1/2 + 1/4 + 1/4; 1/2 + 1/3 + 1/6; 1/2 + 1/4 + 1/8, etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns property and pays taxes on it as an individual, or if he is a member of his tribe and is living among white people as an individual, and as such is engaged in business of any kind, whether he or she actually pays taxes or not; or if he or she is living with his or her husband or wife who is taxed, or has been allotted, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or possessing only unimproved property, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a civilized dwelling, as a frame, log, brick, or stone house, write "Civ." for civilized in this column. But if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." for aboriginal.

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in connection with the general population schedule (Form 8–1589) in enumerating both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8–1589) as members of the families with which they live, but all Indians or negroes living in Indian families should be enumerated on this special schedule, and with the Indian families in which they are found. In other words, every family composed entirely or in part of persons of Indian blood should be enumerated entirely on this special schedule, and every family composed entirely of persons of white or negro blood should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers on the two sides running twice to the page. Columns 1 to 46 are to be filled for each person enumerated, in accordance with the following instructions.

Columns 1 to 32. These columns are identical with those on the general population schedule, and are to be filled in so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, a separate set of consecutive numbers is used on the general population schedule (Form 8–1589) and this schedule for Indian population, make entries in columns 1 and 2 for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will correspond to the last number in column 1 on the general population schedule, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact age of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe, and it may be necessary to ascertain the years in which these notable events occurred, and with a little calculation you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for entering occupations. If the Indian child has no occupation and is wholly dependent on the Government for support, write "None" in columns 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S-1330) as members of the families with which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule, as members of the Indian families in which they are found. In other words, every family composed entirely or partly of persons of Indian blood should be enumerated entirely on this special schedule, and every family composed entirely of persons of white or negro blood should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the lines being numbered running twice to the page. Columns 1 to 46 are to be filled for each individual, as follows, in accordance with these instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule, and are to be filled so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you use two or more sheets for the general population schedule (Form S-1330) and this schedule for Indian population, number the sheets for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe, and are rarely able to ascertain the years in which these notable events occurred, and with a little questioning you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian child has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write "P" in columns 18 and 19, and then the letter "R" (for ration).

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she owns property in his or her tribal relation and is living among white people as an individual, and as such is required to pay taxes on property, or if he or she is living with his or her tribe and owns property on which he or she actually pays taxes or rent; or if he or she is living with his or her tribe and has severed tribal relations and thereby has acquired citizenship. In either of these two cases write "Yes."

An Indian on a reservation, without an allotment, or roaming [illegible] is not to be considered "taxed," and for such Indians the answer to this inquiry is "No."

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used [illegible] both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families [illegible] general population schedule (Form S–1570) as members of the families [illegible] or negroes living in Indian families should be enumerated on this special schedule, and every family composed [illegible] families in which they are found. In other words, every family composed [illegible] *entirely* on this special schedule, and every family composed entirely or partly of persons [illegible] on the general population schedule.

Spaces are provided for entries for 20 persons on each side [illegible] running twice to the page. Columns 1 to 46 are to be filled for each individual [illegible] instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule [illegible] so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19:

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you use the general population schedule (Form S–1570) and this schedule for Indian population, you will require for these columns one series in each kind of schedule, so that the last number in column 1 on the last sheet used in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe. It may be possible to ascertain the years in which these notable events occurred, and with a little calculation you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter [illegible] 18 and 19 in accordance with the general instructions for returning occupations. If the Indian child has no occupation and is wholly dependent on the Government, enter "none" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, enter [illegible] columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in connection with the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form 5-1570) as members of the families with which they live. Indians or negroes living in Indian families should be enumerated on this special schedule with the families in which they are found. In other words, every family composed entirely or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons other than Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the lines being numbered running twice to the page. Columns 1 to 46 are to be filled for each individual. See the following detailed instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule, and are to be filled so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given minor civil division, both the general population schedule (Form 5-1570) and this schedule for Indian population are used, there will be entered for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the number of dwelling houses visited to the last number in column 1 on the general population schedule will give the number of families visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe. It will be necessary to ascertain the years in which these notable events occurred, and with a little calculation the enumerator will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indians are wholly self-supporting, enter their occupations in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, enter a dash (—) in columns 18 and 19. If the Indian is partly self-supporting and partly dependent upon the Government, enter the occupation in columns 18 and 19, and then the letter "R" (for ration).

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual. [illegible] instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill [illegible] so far as the inquiry applies, in accordance with the instructions for filling the [illegible] population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, [illegible] population schedule (Form S 1565) and this schedule for Indian population, [illegible] for these columns, one series in each kind of schedule, so that the last number in [illegible] to the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in [illegible].

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages [illegible] frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian [illegible] child—has no occupation and is wholly dependent on the Government for support, write "None" [illegible] 18. INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM OTHER SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in the United States, answers to columns 33, 34, and 35 should be obtained, if possible, to inquiries 12, 13, and 14, relating to the birthplace of each person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the Indian or his parents and the name of the tribe of each of his or her parents, and enter the same in columns 33 and 34.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is of full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as ½ in column 36, ½ in column 37, and 0 in column 38; negro 0. For Indians of mixed blood all three columns should be filled, and the sum in each case, should equal 1, as ½ + ½ + 0, ¼ + ¼ + ½, etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter 1; if he or she has been married more than once, enter the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian has graduated from any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she has received land from his or her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her family on land which has been allotted to him or her and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied public land, is not to be considered "taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house or other dwelling of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." for aboriginal.

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of Indian reservations should be enumerated on the general population schedule (Form S-1530) as members of the families with which they live. Indians or negroes living in Indian families should be enumerated on this special schedule in the families in which they are found. In other words, every family composed entirely or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons other than Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of this sheet, the lines being numbered consecutively 1 to 20, running twice to the page. Columns 1 to 46 are to be filled for each individual Indian. Read the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form S-1530), so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, the enumerator uses the general population schedule (Form S-1530) and this schedule for Indian population, he will provide for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some Indians may be met in remote districts who have never learned to read and frequently reckon their ages from notable events occurring in the history of the tribe. Every effort should be made to ascertain the years in which these notable events occurred, and with a little patience the enumerator will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a child—has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write "Indian" in columns 18 and 19, and then the letter "R" (for ration)

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 32 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in the United States, it is possible, by inquiries in columns 12, 13, and 14, relating to the state or territory or foreign country in which the parents were born, to ascertain the tribal relations of the parents. In any event, take particular pains to secure the name of the tribe to which each parent belongs, and enter the name in full in columns 34 and 35, and the name of the tribe of each of those two parents, and enter the name in full in column 33.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as "1/2" in column 36 and "1/2" in column 38, negro, etc. For Indians of mixed blood all three columns should be filled, and the sum, in each case, should equal 1, as 1/2, 1/4, 1/4, or 1/2, 1/4, 1/4, etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married. If the Indian is married, enter 1; if married more than once, enter the number of times he or she has been married.

Column 40. Whether now living in polygamy. If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters. If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he is not living with more than one wife, write "No."

Column 42. Graduated from what educational institution. If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed? An Indian is to be considered "taxed" if he owns property and pays taxes on it like other tribal Indians living among white people as an individual, and as such is subject to the laws of the State or Territory in which he or she resides, and pays taxes on property if he or she actually pays taxes or not; or if he or she is living with his or her wife (or her husband) in the manner of civilized life and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment. If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands. If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling. If the Indian is living in a civilized dwelling, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S. 1570) as members of the families in which they are found. All Indians or negroes living in Indian families should be enumerated on this special schedule, in the families in which they are found. In other words, every family composed entirely or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, see following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule, and are filled so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using the general population schedule (Form S. 1570) and this schedule for Indian population, number the dwellings consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in that territory; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in that territory.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining correct ages. Indians frequently reckon their ages from notable events occurring in the history of the tribe or family. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter the occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "P" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated in the general population schedule (Form S–1589) as members of the families in which they are found. All persons, whether Indians or negroes, living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indian should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column, so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1589) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will equal to the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian woman or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in the United States, ascertain, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the parents of his or her parents. In any event, take particular pains to secure the name of the tribe of each of his or her parents, and enter the name of the tribe of each of his or her parents, and enter the same opposite the person's name.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is of full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: In column 36, write the fraction of Indian blood; and (column 38, negro) 0. For Indians of mixed blood all three columns should be filled, and the sum of the fractions, should equal 1, as ½, 0, ½; ¾, ¼, 0; or ⅜, ⅜, ¼, etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married. If the Indian is married, enter 1; if he or she has been married more than once, enter the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution. If the Indian has graduated from any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she owns property and has his or her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not); or if he or she is living with his or her tribe but has received an allotment of land and thereby has acquired citizenship. In either of these two cases write "Yes."

An Indian on a reservation, without an allotment, or roaming over unsettled territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes"; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column. But if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

[illegible] and negroes living in Indian families should be enumerated on this special Indian schedule, as members of the families in which they are found. In other words, every family composed *entirely* of persons of Indian blood should be reported on this special schedule, and every family composed mainly of persons of Indian blood should be reported on the general population schedule.

Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1589) and this schedule for Indian population, number two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born on the reservation where enumerated, write the name of the tribe; if not, write the name of the tribe to which he belongs, if possible, to inquiries 12, 13, and 14, relating to the state or territory or foreign country where the person and his parents were born. In any event, take particular pains to secure the name of the tribe which each person belongs to, and the name of the tribe of each of his or her parents, and enter the name in full.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is of full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as 1/2 Indian, 1/2 white; or 3/4 Indian, 1/4 negro; and so on. For Indians of mixed blood all three columns should be filled, and the sum, in each case, should equal 1, as 1/2 + 1/2 + 0; 3/4 + 1/4 + 0; 1/2 + 1/4 + 1/4; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the tribal rolls of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is living apart from his or her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her tribe but has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory in a primitive way, is "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has been given an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ," (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations and those living in the general population schedule (Form S–1589) as members of the families in which they are found. Indians living in white or negroes living in Indian families should be enumerated on this special schedule and not in the general population families in which they are found. In other words, every family composed mainly of Indians should be enumerated entirely on this special schedule, and every family composed mainly of persons not of Indian blood should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, following according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill these columns so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1589) and this schedule for Indian population, make two independent series of numbers for those columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be equal to the last number in column 1 on the general population schedule, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in most cases should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a mere child—has no occupation and is wholly dependent on the Government for support, write "Has no occupation."

If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as ½, ¼, ⅛, 1/16, etc., Indian; and (column 37) white; and (column 38) negro, etc. For Indians of mixed blood all three columns should be filled, and in each case should equal 1, as ½ + ¼ + ¼ = 1, ¼ + ¼ + ½ = 1, etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or possessing only unsettled, tribal property, is "not taxed," and for such Indians the answer to this inquiry is "No."

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form 8–1850) as members of the families in which they are found. In other words, Indians or negroes living in Indian families should be enumerated on this special schedule, and every family composed entirely or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of this sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, if not otherwise according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill columns so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8–1850) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian, man, woman, or child, has no occupation and is wholly dependent on the Government for support, write "Indian [illegible]" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46.

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in the United States answer as usual for the Indian, if possible, to inquiries 12, 13, and 14, relating to the state or country of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe to which the person is enrolled and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is of full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: If he is a quadroon (4 grandparents), write 1/4 in column 36, and (column 38, negro) 0. For Indians of mixed blood all three columns should be filled, and the sum, in each case, should equal 1, as 1/2, 0, 1/2; 1/4, 1/4, 0; 1/4, 1/4, 1/2; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the annuity rolls of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he has taken up his residence away from his tribe and is living among white people as an individual, and as such is subject to taxation, whether in fact he or she actually pays taxes or not; or if he or she is living with his or her tribe but has received an allotment of land and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

Indian or negroes living in Indian families should be enumerated on this special schedule, and every family composed entirely of Indians should be enumerated entirely on this special schedule, and every family composed mainly of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers on each page running twice to the page. Columns 1 to 46 are to be filled for each Indian case. For additional instructions see instructions.

Columns 1 to 32. These columns are identical with those on the general population schedule. Fill these columns so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you use one family (dwelling) of the general population schedule (Form S 1580) and this schedule for Indian population, you will enter the numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be equal to the last number in column 1 on the general population schedule which you use, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little [illegible] you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S-1570) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule (Form S-1570) as members of the families in which they are found. In other words, every family composed entirely or in part of Indians should be reported entirely on this special schedule, and every family composed entirely of persons not Indian should be reported on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, as directed in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill out these columns so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the Nation. Endeavor to ascertain the years in which these notable events occurred, and with a little examination on your part the schedule be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter one of the occupations in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian (man, woman, or child) has no occupation and is wholly dependent on the Government for support, write "Ration" in column 18. INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making a separate enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S. 1565) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule, as members of the families in which they are found. In other words, every family composed entirely or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons other than Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 30 persons on each side A and B of the sheet, 15 persons on a page, the sheet running twice to the page. Columns 1 to 46 are to be filled for each individual, see following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule, and should be filled so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you are using the regular general population schedule (Form S. 1565) and this schedule for Indian population, you will use the same numbers for these columns, one series in each kind of schedule, so that the last number in column 1 will correspond to the last number in column 1 on the general population schedule which gives the number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact age, as Indians frequently reckon their ages from notable events occurring in the history of the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little questioning you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter the occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian (or Indian child) has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46.

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country, answers should be given, if possible, to inquiries 12, 13, and 14, relating to the place of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe to which each person enumerated, and the name of the tribe of each of his or her parents, and enter the same in columns 33 to 35, inclusive.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is a full-blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as indicated by the following: "1/2" in column 36 and "1/2" in column 38, negro; etc. For Indians of mixed blood all three columns should be filled, and the sum, in each case, should equal 1, as 1/2, 0, 1/2; 1/4, 1/4, 0; 1/2, 1/4, 1/4; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by persons other than members of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is separated from his or her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her tribe but has received an allotment of land and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of the usual description, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families or isolated from other Indians should be enumerated on the general population schedule (Form 8-1589) as members of the families with which they live. Indians or negroes living in Indian families should be enumerated on this special Indian schedule, as members of the families in which they are found. In other words, every family composed entirely of Indians should be enumerated entirely on this special schedule, and every family composed mainly of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, two entries to each person running twice to the page. Columns 1 to 46 are to be filled for each individual, as follows. [illegible] instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill [illegible] so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additions. [illegible] columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using for the general population schedule (Form 8-1589) and this schedule for Indian population, more than one [illegible] for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will correspond to the last number in column 1 on the general population schedule will give the whole number of dwellings, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the [illegible]. Endeavor to ascertain the years in which these notable events occurred, and with a little examination in your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are shown on the regular general population schedule (Form S–1850) as members of the families in which they live. Indians, however, or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For each person, so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1850) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 48:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in this country, ascertain tribal relations, if possible, to inquiries 12, 13, and 14, relating to the state or country of birth of each person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the person enumerated and the name of the tribe of each of his or her parents, and enter the names in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is a full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: If a half blood, write ½ in column 36, and (column 38, negro). For Indians of mixed blood all three columns should be filled in, the sum in each case, should equal 1, as ½, ½; ¼, ¼, ½; ¼, ¼, ½; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter 1; if widowed, enter 1; if divorced, enter 1; or if he or she has been married more than once, enter the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he is not living with more than one wife, or if his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns land in severalty, pays his own taxes, and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her tribe, but has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory, is considered not taxed," and for such Indians the answer to this inquiry is "No."

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S–1589) as members of the families in which they are found. Indians living in white or negroes living in Indian families should be enumerated on this special schedule as members of the families in which they are found. In other words, every family composed entirely of Indians or of Indians and negroes should be enumerated entirely on this special schedule, and every family composed mainly of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if not otherwise according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1589) and this schedule for Indian population, make two independent series of visitation numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, who frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will generally be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a child—has no occupation and is wholly dependent on the Government for support, write "Ration" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in the United States, proceed as directed in the instructions, if possible, to inquiries 12, 13, and 14, relating to the State or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe of each of his parents, if possible, and enter the name in column 33. If the Indian is intermarried with a white person, and the name of the tribe of each of his or her parents, and enter the name in columns 34 and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: If white, write 1 in column 37, and leave columns 36 and 38 blank. If white and Indian, write the fraction of Indian blood in column 36, and the fraction of white blood in column 37, and leave column 38 blank. If white, Indian, and negro, write the fraction of Indian blood in column 36, white in column 37, and negro in column 38, negro blood. For Indians of mixed blood, the fractions written in columns 36, 37, and 38 in each case, should equal 1, as 1, or 1/2, 1/4, 1/8, or 2/3, 1/3, or 3/4, 1/4, etc.

Wherever possible, the statement that an Indian is of full blood should be accepted as conclusive, as a number of persons of some white blood of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married. If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

In either of these two cases write "Yes."

An Indian on a reservation, without an allotment, or roaming over unoccupied portions of reservations, is "not taxed," and for such Indians the answer to this inquiry is "No."

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated by the general population schedule (Form S–1580) as members of the families with which they are found. Intermarried whites or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported entirely on this special schedule, and every family composed mainly of persons not Indian should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual Indian, if applicable, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions as to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1580) and this schedule for Indian population, number consecutively the dwellings for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in the United States, the tribe to which he belongs should be returned, if possible, in inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe to which the person is primarily affiliated and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is a full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: In column 36, Indian; in column 37, white; and in column 38, negro or other. For Indians of mixed blood all three columns should be filled, and the sum in each case should equal 1, as ½, ¼, ¼; or ½, ¼, ¼; or ¼, ¼, ½; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the tribal rolls of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns property other than his share in his tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her family on land which has been allotted to him or her, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column. If the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S–1589) as members of the families in which they are found. But persons of white or negroes living in Indian families should be enumerated on this special Indian schedule, as they are members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 30 persons on each side (A and B) of the sheet, the entries on each page running twice to the page. Columns 1 to 46 are to be filled for each individual, save as otherwise specified in the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Follow the instructions so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions to be followed in filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1589) and this schedule for Indian population, number the pages consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in the entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the correct ages of Indians as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in most part you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter in these columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is wholly dependent—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country (or known to be living in it), if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his parents. In any event, take particular pains to secure the name of the tribe to which each person enumerated and the name of the tribe of each of his or her parents, and enter the name in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is of full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: If half Indian, write $\frac{1}{2}$ in column 36; and if white, $\frac{1}{2}$ and in column 38, negro 0. For Indians of mixed blood all three columns should be filled, and the sum, in each case, should equal 1, as $\frac{1}{2}$, 0, $\frac{1}{2}$; $\frac{1}{4}$, $\frac{1}{4}$, $\frac{1}{2}$; $\frac{1}{8}$, $\frac{3}{8}$, $\frac{4}{8}$; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the census rolls of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns property belonging to his or her tribe and is living among white people as an individual, and as such pays taxes to the county in which he or she actually pays taxes or not; or if he or she is living with his or her tribe but has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of permanent design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column. But if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S–1580) as members of the families in which they are found. But negroes or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, in accordance with the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1580) and this schedule for Indian population, it will be necessary to use two series for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated in that district, and the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in that district. and, likewise, the last number in column 2 on this schedule (added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in the entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the reservation. The agent can usually ascertain the years in which these notable events occurred, and with a little calculation on his part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian (male, female, or child—has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations, the enumeration of whom on the general population schedule (Form 8–1580) as members of the families in which they are found, has presumably been completed, and persons of white or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported entirely on this special schedule, and every family composed mainly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, save, if applicable, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For each person so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions to be applied in filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using for the general population schedule (Form 8–1580) and this schedule for Indian population, more than one supplement, record such for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of families visited and enumerated in that general territory, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in that general territory.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact age of Indians, as they frequently reckon their ages from notable events occurring in the history of the community. Endeavor to ascertain the years in which these notable events occurred, and with a little investigation you will soon be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian, male or female, child—has no occupation and is wholly dependent on the Government for support, write "Indian Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country, always attempt to obtain, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the person is connected and the name of the tribe of each of his or her parents, and enter the name in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is a full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: an Indian 1/2 white, 1/2 Indian, and (column 38, negro) 0. For Indians of mixed blood all three columns should be filled out, and in each case should equal 1, as 4/4, 8/8, 4/4, 16/16, 8/8, 4/8, etc.

Wherever possible, the statement that an Indian is of full blood should be verified by inquiry of the older men of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is separated from his or her tribe and is living among white people as an individual, and as such is subject to taxation (whether he or she actually pays taxes or not); or if he or she is living with his or her wife or husband who has severed tribal relations and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied lands, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house, or original enough, such as log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S–1580 as members of the families in which they are found, but mixed bloods or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column, so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1580) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country answers should be obtained, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the person is connected and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is a full blood, write "Full" in column 36, and leave columns 37 and 38 blank. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory is considered "not taxed," and for such Indians the answer to this inquiry is "No."

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of town or city should be enumerated on the general population schedule (Form S. 1589) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule, and every family composed entirely of Indians should be enumerated on this special schedule, and every family composed entirely of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 30 persons on each side (A and B) of the sheet, the numbers on each page running twice to the page. Columns 1 to 46 are to be filled for each individual, as directed by the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. They should be filled so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions in regard to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S. 1589) and this schedule for Indian population, begin two separate series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the people or tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little application you will generally be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born a citizen of some tribe, enter the name of that tribe, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe to which each person enumerated and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is of mixed blood, write in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in column 36 the fractions which show the proportions of Indian and other blood, as follows: If half Indian, write 1/2; if three-fourths Indian, write 3/4; and so forth, and in column 37, write the fractions which show the proportions of white blood, as follows: If one-fourth white, write 1/4; if one-eighth white, write 1/8; and so forth, and in column 38, negro blood. For Indians of mixed blood, the three columns, 36, 37, and 38, should, in each case, equal 1, as 1/2, 1/2, 0; 3/4, 1/4, 0; 7/8, 1/8, 0; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married. If the Indian is married enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy. If any Indian now living is married to more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters. If the Indian now living is married to more than one wife, and if his wives are sisters, write "Yes" in this column. If he is married to more than one wife, and if his wives are not sisters, write "No."

Column 42. Graduated from what educational institution. If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed? An Indian is to be considered "taxed" if he or she owns property in his or her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her white family and has assumed the habits of life and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled country, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment. If the Indian has received a grant of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands. If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling. If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S-1589) as members of the families in which they are found. Indians, half-bloods or negroes living in Indian families should be enumerated on this special Indian schedule with the Indian families in which they are found. In other words, every family composed entirely of persons not Indians should be enumerated entirely on the general population schedule, and every family composed mainly of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual as directed according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S-1589) and this schedule for Indian population, make two separate series of visit numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district. Likewise, the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little examination in your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is wholly dependent, as a child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

Wherever possible, the statement that an Indian is of full blood should be verified by inquiry of the proper men of the tribe, as an Indian is sometimes of mixed blood without knowing it.

In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied lands, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8-1589) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule, as members of families in which they are found. In other words, every family composed entirely or in part of Indians should be reported entirely on this special schedule, and every family composed entirely of persons other than Indians should be reported on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers to each person running twice to the page. Columns 1 to 46 are to be filled for each individual Indian, as explained in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. They should be filled so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8-1589) and this schedule for Indian population, assign two consecutive numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of families visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation as to your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a minor child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country and his tribe can be ascertained, if possible, to inquiries 12, 13, and 14, relating to the state or territory or foreign country of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the person is connected, and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is a full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as in column 36, if one-half Indian, write 1/2; and (column 38, negro) 0. For Indians of mixed blood all three columns should be filled and the sum, in each case, should equal 1, as 1/4, 0, 3/4; 1/4, 1/4, 0; 3/4, 1/4, 0; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the tribal rolls of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she owns property upon his or her tribe and is living among white people as an individual, and as such is subject to taxation (whether he or she actually pays taxes or not); or if he or she is living with his or her tribe but has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied territory is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, such as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are not to be enumerated on the general population schedule (Form 8–1580) as members of the families in which they are found. Indians living in white or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported entirely on this special schedule, and every family composed mainly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill out Indians so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using in the general population schedule (Form 8–1580) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwelling houses visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46.

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country and knows enough to do so, if possible, to inquiries 12, 13, and 14, relating to the state or country of birth of himself and parents, and if not, of his parents. In any event, take particular pains to secure the name of the tribe with which the family is affiliated, and the name of the tribe of each of his or her parents, and enter the name of the tribe in the proper column.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is a full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is not a full blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as quarter (1/4), eighth (1/8), sixteenth (1/16), and (column 38, negro) 0. For Indians of mixed blood all three columns should be filled out in each case, should equal 1, as 1/2, 0, 1/2; 1/4, 1/4, 1/2; 1/8, 1/8, 3/4; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by an enrollment card of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is detached from his or her tribe and is living among white people as an individual, and as such is subject to taxation whether he or she actually pays taxes or not; or if he or she is living with his or her tribal people on an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of permanent design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S-1589) as members of the families in which they are found. But persons of Indian or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indian should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, two entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill out columns so far as the inquiry applies, in accordance with the instructions for filling these columns in the general population schedule (see book of instructions), but note the following additional instructions as to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S-1589) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwelling-houses visited; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little examination on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Has no occupation" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in the United States, ascertain, if possible, in response to inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe to which each of his or her parents belonged, and the name of the tribe of each of his or her parents, and enter the name of the tribe in full in each case.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, express in the proper one of the fractions which show the proportions of Indian and other blood, as entered in column 36, the number of white blood (column 37) and of negro blood (column 38, negro) 0. For Indians of mixed blood all three columns should be filled and the sum in each case, should equal 1, as ½, 0, ½; ¾, ¼, 0; ¾, ¼, ½; etc.

Wherever possible, the statement that an Indian is of full blood is to be obtained in response to inquiry 12 of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy. If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters. If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he has only one wife, or if his wives are not sisters, write "No."

Column 42. Graduated from what educational institution. If the Indian is a graduate of some educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed? An Indian is to be considered "taxed" if he or she owns property, real or personal, apart from his or her tribe and is living among white people as an individual, and as such pays taxes, or is required to pay taxes, or if he or she actually pays taxes or not; or if he or she is living with his or her husband or wife who is a citizen and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or remaining under guardianship, is to be considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8-1580) as members of the families in which they are found. Indians living in white or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indian should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8-1580) and this schedule for Indian populations, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will give the whole number of dwellings visited and, likewise, the last number in column 2 on this schedule added to the last number entered in the general population schedule will give the whole number of families visited and enumerated on both schedules.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in most cases you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS CONTINUED ON "B" SIDE OF SHEET.

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country answers should be obtained, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the person is connected and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is a full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as (column 36, Indian) $\frac{1}{2}$, (column 37, white) $\frac{1}{2}$, and (column 38, negro) 0. For Indians of mixed blood all three columns should be filled, and the sum, in each case, should equal 1, as $\frac{1}{2}$, 0, $\frac{1}{2}$; $\frac{3}{4}$, $\frac{1}{4}$, 0; $\frac{1}{4}$, $\frac{1}{4}$, $\frac{1}{2}$; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by inquiry of the older men of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is detached from his or her tribe and is living among white people as an individual, and as such is subject to taxation (whether he or she actually pays taxes or not); or if he or she is living with his or her tribe but has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal)

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making a full enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S. 1850) as members of the families in which they are found. But white persons or negroes living in Indian families should be enumerated on this special Indian schedule the same as the Indian families in which they are found. In other words, every family composed entirely of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, the figures corresponding to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill out columns so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S. 1850) and this schedule for Indian population, make two entries, one series for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwelling-houses visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in the entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in most cases you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter proper occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian, wife, widow, or child has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS CONTINUED ON "B" SIDE OF SHEET.

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46.

Columns 33, 34, and 35. Tribal relations. If the Indian was born in this country, ascertain, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the parents and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the person is connected and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is of full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: In column 36, Indian; in column 37, white; and in column 38, negro blood. For Indians of mixed blood all three columns should be filled, and the sum in each case, should equal 1, as 4/4, or 1/2 + 1/4 + 1/4, or 3/4 + 2/8 + 1/8, etc.

Wherever possible, the statement that an Indian is of full blood should be confirmed by some member of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he has but one wife, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is assessed for taxes by his or her tribe and is living among white people as an individual, and as such is required to pay taxes (whether he or she actually pays taxes or not); or if he or she is living with his or her tribe but has received an allotment of land and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own lands, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal) in this column.

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations, as well as those enumerated in the general population schedule (Form S–1589) as members of the families in which they are found, and all persons of Indian or negro living in Indian families should be enumerated on this special Indian schedule as well as on the general schedule for the families in which they are found. In other words, every family composed mainly of Indians should be enumerated entirely on this special schedule, and every family composed mainly of persons not Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual Indian, as explained in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1589) and this schedule for Indian population, number the consecutively series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will be equal to the last number in column 1 on the general population schedule will give the whole number of families visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact age of Indians, as they frequently reckon their ages from notable events occurring in the history of the region. By endeavoring to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian (man, woman, or child) has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in this country or was naturalized, ascertain, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of this person and of his parents. In any event, take particular pains to secure the name of the tribe of each parent, and enter this name in column 33, 34, or 35, as the case may be. If this Indian is of mixed blood, ascertain the name of the tribe of each of his or her parents, and enter this name in column 33, 34, or 35, as the case may be.

Columns 36, 37, and 38. Proportions of Indian and other blood. If this Indian is of full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood as nearly as you can ascertain them. Thus, if one parent is full blood and the other white, the proportion of Indian blood in this case, should be 1/2, as 1/2 + 1/2 = 1/1 = full blood. If one parent is 1/2 Indian and 1/2 white, and the other parent is 1/4 Indian and 3/4 white, the proportion of Indian blood in this case, should equal 3/4, as 1/2 + 1/4 = 3/4. If one parent is 3/4 Indian and 1/4 white, and the other parent is 1/4 Indian and 3/4 white, the proportion of Indian blood in this case, should equal 1/2, as 3/4 + 1/4 = 4/4 = 1/1 = full blood.

Wherever possible, the statement that an Indian is of full blood should be verified by the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

In either of these two cases write "Yes" in this column. An Indian not so taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If this Indian has been given an allotment of land, enter, in column 44, the year in which the allotment was made.

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8-1850 as members of the families of which they are found. All Indians or negroes living in Indian families should be enumerated on this special Indian schedule and not on the families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indians should be reported on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case. For [illegible] see the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill out these so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions applying to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you use more than one general population schedule (Form 8-1850) and this schedule for Indian population, number the families consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on the first general population schedule added to the last number in column 1 on the second general population schedule will give the whole number of families visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the reservation or tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will soon be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter in the proper columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian [illegible] child has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8–1580) as members of the families in which they are found. In other words, every Indian or negress living in Indian families should be enumerated on this special Indian schedule as a member of the Indian families in which they are found. In other words, every family composed mainly of Indians should be enumerated *entirely* on this special schedule, and every family composed mainly of persons of the white or negro race should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of this sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, save as otherwise provided in the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additions. [illegible] columns 1 and 2, column 3, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8–1580) and this schedule for Indian population, number the dwellings and families for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the locality. Efforts should be made to ascertain the years in which these notable events occurred, and with a little calculation you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter the [illegible] in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian [illegible] child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write for occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in the United States, if possible, to inquiries 12, 13, and 14, relating to the birthplaces of the person and his parents. In any event, take particular pains to secure the name of the tribe of each of his parents, and the name of the tribe of each of his other parents, as far back as possible.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is full blood, in column 36, and leave columns 37 and 38 blank. If he is not full blood, write in each column the fraction which shows the proportions of Indian and other blood, in column 36, and of white blood, in column 37, respectively. For Indians of mixed blood, the sum of the fractions, in each case, should equal 1, as 1/2 + 1/2 = 1, 1/4 + 3/4 = 1, 1/8 + 7/8 = 1, etc.

Wherever possible, the statement that an Indian is of full blood should be accepted as conclusive of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, or has been married, write the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian is living in polygamy, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian is living in polygamy with one wife, and if his wives are sisters, write "Yes" in this column. If he is living in polygamy with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian has graduated from any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns property in his own name, or in the name of his wife or minor children, which is assessed for taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her wife or husband on property so assessed, and thereby has acquired citizenship. In either of these two cases write "Yes."

An Indian on a reservation, without an allotment, or possessing property which is not assessed for taxation, is "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his own land, write "Yes"; otherwise, write "No"; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian lives in a civilized dwelling, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column. If he lives in an aboriginal dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in taking the census of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families should be enumerated on the general population schedule (Form s 1570) as members of the families in which they are found. In other words, every family composed entirely of Indians should be enumerated entirely on this special schedule, and every family composed of persons of both races should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side A and B of the sheet, the numbers running twice to the page. Columns 1 to 46 are to be filled for each individual, as directed in the following instructions.

Columns 1 to 32.—These columns are identical with those in the general population schedule, so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you are using both the general population schedule (Form s 1589) and this schedule for Indian population, number the pages for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule will be the last number in the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact age, as Indians frequently reckon their ages from notable events occurring in the history of the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter proper occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If any Indian child has no occupation and is wholly dependent on the Government for support, enter "At home" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, enter proper occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in connection with the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form ~1589) as members of the families in which they are found. Indians living in white or negro families outside of reservations should be enumerated on the general population schedule (Form ~1589) as members of the families in which they are found. In other words, every family composed entirely or partly of Indians should be reported entirely on this special schedule, and every family composed entirely of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, as directed according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For use in answering, so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions relating to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given locality, you are using both the general population schedule (Form ~1589) and this schedule for Indian populations, you will have a single set of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of families visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the correct ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian [illegible] child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46.

Columns 33, 34, and 35. Tribal relations. If the Indian was born on the reservation enumerated, the name should be obtained, if possible, to inquiries 12, 13, and 14, relating to the birthplaces of the person and of his or her parents. In any event, take particular pains to secure the tribal relationship of the person enumerated and the name of the tribe of each of his or her parents, as follows: [illegible]

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is of mixed blood, write in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write [illegible] and in the fractions which show the proportions of Indian and other blood, as [illegible] white, and in column 38, negro) 0. For Indians of mixed blood, all three columns should be filled, and the sum, in each case, should equal 1, as ½, 0, ½; ¼, ¼, ½; ⅛, ⅛, ¾, etc.

Wherever possible, the statement that an Indian is of full blood should be obtained [illegible] of the oldest men of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is a member of, but not living with, his or her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her tribe but has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of permanent design, such as log, frame, brick, or stone house, write "Civ." (for civilized) in this column. But if the house or lodge is a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of tribal relations should be enumerated on the general population schedule (Form 8–1589) as members of the families in which they are found. The Indians living with whites or negroes living in Indian families should be enumerated on this special schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers to read across running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form 8–1589), so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8–1589) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation a person's age will soon be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" across column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in the United States answer questions 12, 13, and 14, if possible, by inquiries 12, 13, and 14, relating to the state or territory of birth of the person enumerated and of his or her parents. In any event, take particular pains to secure the name of the tribe to which the person enumerated and the name of the tribe of each of his or her parents, and enter the name in column 33, 34, or 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is of full blood, write "1" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as ½ in column 36, ½ in column 37, and 0 in column 38, negro 0. For Indians of mixed blood all three columns should be filled, and the sum, in each case, should equal 1, as ½, 0, ½; ¼, ¼, ½; ¾, ¼, 0; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by inquiry of the older men of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is living on the lands of his or her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her tribe that has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory is considered not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, such as a log, frame, brick, or stone house, write "Civ." INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8-1580) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special Indian schedule as members of the families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers being printed twice to the page. Columns 1 to 46 are to be filled for each individual case, if not otherwise specified in the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form 8-1580) so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8-1580) and this schedule for Indian population, there will be duplicate visitation numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the country. However, by care you can ascertain the years in which these notable events occurred, and with a little calculation on your part you can generally be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in the United States, enter the name of the tribe to which he belongs, if possible, to inquiries 12, 13, and 14, relating to the state or country of birth of the person and of his parents. In any event, take particular pains to secure the name of the tribe with which the person is connected, and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter 1; if widowed or divorced, enter the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he has only one wife, or if his wives are not sisters, write "No."

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns property on the assessment of which he or she actually pays taxes or not; or if he or she is living with his or her tribe upon its reservation, or has severed tribal relations and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or remaining after allotment unsevered, is "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in connection with the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S. 1580) as members of the families in which they are found. Whites or negroes living in Indian families should be enumerated on this special schedule as members of the families in which they are found. In other words, every family composed entirely or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 40 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, unless otherwise specified in the instructions.

Columns 1 to 32. These columns are identical with those on the general population schedule, and are to be filled in so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given subdivision, you use more than one general population schedule (Form S. 1580) and this schedule for Indian population, number the pages consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will agree with the last number in column 1 on the general population schedule, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the reservation. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian woman, or child has no occupation and is wholly dependent on the Government for support write "None" in columns 18. If the Indian is partly self-supporting and partly dependent upon the Government for support enter his occupation in columns 18 and 19, and then the letter "R" (for ration).

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is of full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is not of full blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: If [illegible] and column 38, negro or [illegible]. For Indians of mixed blood all three columns should be filled in each case, should equal 1, as 1/2, 1/2, 1/4, 3/4, 1/32, 31/32, etc.

Wherever possible, the statement that an Indian is of full blood should be verified by the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied territory is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling. If the Indian is living in a house of [illegible] log, frame, brick, or stone house, write "Civ" (for civilized) in this column. If the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal) in this column.

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S. 1580) as members of the families with which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule, and the members of the families in which they are found. In other words, every family composed entirely of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons other than Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual. See following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Follow the instructions so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given district, you are using both the general population schedule (Form S. 1580) and this schedule for Indian population, begin the numbering for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited to the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the ages of Indians as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little patience you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting enter in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian, or child, has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S–1589) as members of the families in which they are found. Indians, whether white or negroes living in Indian families should be enumerated on this special schedule, and in other words, every family in which they are found. In other words, every family composed entirely of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of this sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For each person, so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions in regard to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1589) and this schedule for Indian population, make two independent series of visitation numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of the Indians, as they frequently reckon their ages from notable events occurring in the history of the community. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Has a home" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form 8–1580 as members of the families in which they are found. In other words, every white or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be enumerated *entirely* on this special schedule, and every family composed mainly of persons not Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual Indian, if any, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form 8–1580) and so far as the inquiry applies, in accordance with the instructions for filling the enumeration record in the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8–1580) and this schedule for Indian population, number the inhabited dwellings for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little examination on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S-1570) as members of the families in which they are found. All persons of Indian or negroes living in Indian families should be enumerated on this special Indian schedule in the Indian families in which they are found. In other words, every family composed entirely of Indians should be reported entirely on this special schedule, and every family composed mainly of persons of Indian blood should be reported entirely on the general population schedule.

Spaces are provided for entries for 30 persons on each side (A and B) of this sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns for general population schedule (see book of instructions), but note the following additional instructions to supplement the filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S-1570) and this schedule for Indian population, number the pages of both for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated on your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the tribe. By inquiry, however, to ascertain the years in which these notable events occurred, and with a little calculation on your part, you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian woman, widow, or child has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8-1580) as members of the families in which they are found. Indians living with white or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indian should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8-1580) and this schedule for Indian population, make the visitation numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian woman or child has no occupation and is wholly dependent on the Government for support write "Dependent" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government write the occupation in columns 18 and 19, and then the letter "D" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S. 1570) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special Indian schedule with the Indian families in which they are found. In other words, every family composed entirely of Indians should be enumerated entirely on this special schedule, and every family composed mainly of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case. For explanation of the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns in the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S. 1570) and this schedule for Indian population, you will have two series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the tribe. In such cases, endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a child, has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "D" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in the United States, answer the inquiries relative to his birthplace if possible, to inquiries 12, 13, and 14, relating to the state or country of birth of the person and of his or her parents. In any event, take particular pains to secure the information called for in columns 33, 34, and 35, and the name of the tribe of each of his or her parents, and enter "X" [illegible]

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is full blood, write "1" in column 36, and leave columns 37 and 38 blank. If the Indian is not full blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as [illegible] and in column 38, negro. For Indians of mixed blood the three proportions entered in columns 36, 37, and 38 in each case, should equal 1, as 1/2, 0, 1/2; 1/4, 1/4, 1/2; 1/2, 1/4, 1/4; etc.

Wherever possible, the statement that an Indian is of full blood should be proved by reference to the census rolls of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he has only one wife, or if his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" [illegible] and is living among white people as an individual, and as such is [illegible] whether he or she actually pays taxes or not; or if he or she is living with his or her tribe [illegible] and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of [illegible] such as a log, frame, brick, or stone house, write "Civ," for civilized; in this column [illegible] dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor."

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form 8-1580 as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule, in the families in which they are found. In other words, every family composed entirely of persons of Indian blood should be enumerated entirely on this special schedule, and every family composed mainly of persons of Indian blood should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each Indian enumerated. See following instructions.

Columns 1 to 32. These columns are identical with those on the general population schedule, and are to be filled so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (See book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If in canvassing a given territory you enumerate first the general population schedule (Form 8-1580) and this schedule for Indian population, you will enter the numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will be equal to the last number in column 1 on the special schedule, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the ages of Indians, who frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a minor or child and has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated in the general population schedule (Form S–1570) as members of the families in which they are found. In other words, every family composed entirely or partly of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons of the white or negro race should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, save as explained in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S–1580) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated on these two schedules.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the people or tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian, man, woman, or child, has no occupation and is wholly dependent on the Government for support, write "Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in the United States, ascertain, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe to which the person is enumerated and the name of the tribe of each of his or her parents, and enter the names in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is of full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: If [illegible] write 1/2 in column 36 and 1/2 in column 37; if [illegible] write 1/4 in column 36, 1/4 in column 37, and 1/2 in column 38, negro 0. For Indians of mixed blood all three columns should be filled, and the sum, in each case, should equal 1, as 1/2, 0, 1/2; 1/4, 1/4, 0; 1/4, 1/4, 1/2; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by inquiry of some other member of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he [illegible] write "No."

Column 42. Graduated from what educational institution. If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed? An Indian is to be considered "taxed" if he owns property [illegible] her tribe and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not); or if he or she is living with his or her family [illegible] and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied [illegible] is "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in taking the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families, or Indians living in Indian families should be enumerated on the general population schedule (Form S. 1589) as members of the families in which they are found. In other words, every family composed entirely or in part of Indians, or negroes living in Indian families should be enumerated on this special schedule, and every family composed entirely of persons in the general population schedule.

Spaces are provided for entries for 20 persons on each side A and B of the sheet, the numbers on side B running twice to the page. Columns 1 to 46 are to be filled for each person enumerated. Follow carefully the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill columns so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you have used for the general population schedule (Form S. 1589) and this schedule for Indian population, the same visitation numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be the same as to the last number in column 1 on the general population schedule, and likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in the entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact age of Indians, as they frequently reckon their ages from notable events occurring in the history of the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian, being a child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country, ascertain, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the person is connected, and the name of the tribe of each of his or her parents, and enter the name in columns 33 to 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, ascertain, if possible, the fractions which show the proportions of Indian and other blood, as inquired for in inquiry 14, and enter in column 36, Indian blood; in column 37, white blood; and in column 38, negro blood. For Indians of mixed blood all three columns should be filled, and the sum in each case, should equal 1, as 1/2, 0, 1/2; 1/4, 1/4, 1/2; 3/4, 1/4, 0; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter 1; if married more than once, enter the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If the wives are not sisters write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is living apart from his or her tribe and is living among white people as an individual, and as such pays taxes on property owned by him or her, whether he or she actually pays taxes or not; or if he or she is living with his or her tribe but has taken out a homestead or land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unoccupied territory, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column. But if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46.

Columns 33, 34, and 35. Tribal relations. If the Indian was born in this country, enter the name of the tribe to which he belongs, if possible, to inquiries 12, 13, and 14, relating to the place of birth of the person and of his parents. In any event, take particular pains to ascertain the parentage of each Indian, and enter the name of the tribe of each of his or her parents, and extend this entry to the third generation.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is full blood, write "1" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as ½ in column 36, ½ in column 37, and 0 in column 38, negro 0. For Indians of mixed blood the three fractions entered in any case, should equal 1, as ½, ½, 0; ¼, ¾, 0; ¼, ¼, ½; etc.

Wherever possible, the statement that an Indian is of full blood should be based upon the records of the tribe, as an Indian is sometimes of mixed blood without appearing to be.

Column 39. Number of times married.—If the Indian is married, enter "1" in this column; if he or she has been married twice, write "2"; if three times, write "3"; if widowed or divorced, enter the number of times married, or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living in polygamy, with one wife, and if his wives are sisters, write "Yes" in this column. If he has more than two wives, and if any two of his wives are sisters, write "Yes" in this column.

Column 42. Graduated from what educational institution.—If the Indian is or has been a student in any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if the land which he owns as an individual and from which he derives his support is held by him in the same manner as the land of white persons in the same locality is held by them, and if he pays taxes on it in the same manner as white persons pay taxes on their land. An Indian is also to be considered "taxed" if he owns personal property which is assessed and taxed in the same manner as the property of white persons in the same locality is assessed and taxed, and if he pays taxes on it in the same manner as white persons pay taxes on their property. An Indian is also to be considered "taxed" if he or she is living among white people as an individual, and as such pays taxes on property which he or she actually pays taxes on, or if he or she is living with his or her family on land which he or she owns, and thereby has acquired citizenship. In either of these two cases write "Yes."

An Indian on a reservation, without an allotment, or residing upon tribal land which is not assessed and taxed, and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his own land, write "Yes"; otherwise, if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a civilized dwelling, as a log, frame, brick, or stone house, write "Civ" (for civilized) in this column; if living in an aboriginal dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservation should be enumerated on the general population schedule (Form 8–1580) as members of the families in which they are found; but persons part white or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indian should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the names for each person running twice to the page. Columns 1 to 46 are to be filled for each individual case, if applicable, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Follow the columns so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to the method of filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8–1580) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule added to the last number in column 1 on the general population schedule will give the whole number of dwellings visited; and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation as to your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS CONTINUED ON "B" SIDE OF SHEET.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is a full-blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: In column 36, write "1/2," "1/4," "1/8," etc., and in column 38, negro, "1/2," "1/4," "1/8," etc. For Indians of mixed blood all three columns should be filled, and the sum of the fractions, in each case, should equal 1, as 1/2, 1/2, or 1/4, 1/4, 1/2; etc.

Wherever possible, the statement that an Indian is of full blood should be based upon the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter 1; if he or she has been married twice, enter 2; if he or she has been married more than twice, enter the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he has only one wife, or if his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns property, real or personal, from the sale of which his tribe and is living among white people as an individual and as such is subject to the laws of the State in which he resides, and if he or she actually pays taxes or duty, or if he or she is living with his or her tribe and has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes."

An Indian on a reservation, without an allotment, or possessing other property, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column. If the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated by the general population schedule (Form S-1580) as members of the families in which they are found. Indians living in white or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported entirely on this special schedule, and every family composed mainly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 30 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual name, if necessary, according to the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill out columns so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions relative to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form S-1580) and this schedule for Indian population, number the dwelling-houses and families for those columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be equal to the last number in column 1 on the general population schedule used in the same territory, and, likewise, the last number in column 2 on this schedule will be equal to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in that territory.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian (man, woman, or child) has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET. B

The following instructions apply to columns 43 to 46:

Columns 43, 34, and 35. Tribal relations. If the Indian was born on this reservation, write the name of the tribe, if possible, in response to inquiries 12, 13, and 14, relating to the state or country of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the Indian is connected, and the name of the tribe of each of his or her parents, and enter the same in columns 34 and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: In column 36, Indian; in column 37, white; and in column 38, negro, etc. For Indians of mixed blood all three columns should be filled, and the sum in each case, should equal 1, as 1/2, 0, 1/2; 3/4, 1/8, 1/8; 1/2, 1/4, 1/4, etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married. If the Indian is married, widowed, or divorced, enter the number of times he or she has been married.

Column 40. Whether now living in polygamy. If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters. If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If he is living with more than one wife, and if his wives are not sisters, write "No."

Column 42. Graduated from what educational institution. If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed? An Indian is to be considered "taxed" if he owns property which is assessed for taxation for his tribe and is living among white people as an individual, and as such is subject to taxation, whether or not he or she actually pays taxes or not; or if he or she is living with his or her white husband or wife and has assumed the habits of civilization and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or possessing land collectively, is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment. If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands. If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling. If the Indian is living in a house of civilized design, such as a log, frame, brick, or stone house, write "Civ" (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal) in this column.

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S. 1580) as members of the families in which they are found. Indians living in white or negroes living in Indian families should be enumerated on this special Indian schedule and not on the general population schedule for the families in which they are found. In other words, every family composed wholly or in part of Indians should be reported *entirely* on this special schedule, and every family composed wholly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, or 40 persons for each page, the sheet running twice to the page. Columns 1 to 46 are to be filled for each Indian, but care is to be exercised in following the instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions as to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you are using both the general population schedule (Form S. 1580) and this schedule for Indians, provide yourself with two separate series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 and column 2 will correspond to the last number in column 1 on the general population schedule and give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the correct ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the region in which they live. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will generally be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Indian (Indians)" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "E" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born in this country, ascertain, if possible, to inquiries 12, 13, and 14, relating to the birthplaces of the parents. In any event, take particular pains to secure the name of the tribe of each parent, and the name of the tribe of each of his or her parents, as it enters into the composition of the Indian's blood.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is a full-blood, write "Full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in these columns the fractions which show the proportions of Indian and other blood, as in column 36, "1/2" or "3/4"; and in column 38, negro blood. For Indians of mixed blood all three columns should be filled, and the sum, in each case, should equal 1, as 1/2 + 1/2 = 1, 3/4 + 1/4 = 1, 1/2 + 1/4 + 1/4 = 1, etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married. If the Indian is married, enter "M1"; if married more than once, "M2"; or if he has been married.

Column 40. Whether now living in polygamy. If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters. If the Indian man is living with more than one wife, and if the wives are sisters, write "Yes" in this column. If the wives are not sisters, write "No."

Column 42. Graduated from what educational institution. If the Indian has graduated from any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed? An Indian is to be considered taxed if he owns property, real or personal, subject to taxation, and her tribe and is living among white people as an individual, and as such is liable to pay taxes on property she actually pays taxes or not; or if he or she is living with his or her family in a house of his or her own and thereby has acquired citizenship. In other words, a white man

An Indian on a reservation, without any allotment, or possessing only tribal property, is not to be considered taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment. If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands. If the Indian lives on his or her own land, write "Yes"; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling. If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ" (for civilized); if the Indian is living in a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal) dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc.

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 43 to 46:

Columns 33, 34, and 35. Tribal relations. If the Indian was born on the reservation, or has ever been enrolled, if possible, by inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his parents. In any event, take particular pains to secure the tribal relationship of each person, and the name of the tribe of each of his or her parents, and enter them in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood. If the Indian is full blood, write "Full" in column 36, and leave columns 37 and 38 blank. If not full blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, respectively, as "1/2," "1/4," "1/8," etc., in columns 36, 37, and 38, respectively. For Indians of mixed blood, the fractions in columns 36, 37, and 38, in each case, should equal 1, as "1/2 + 1/4 + 1/4 = 1," "1/2 + 1/8 + 3/8 = 1," etc.

Wherever possible the enumerator must ascertain the proportion of Indian blood by inquiry of the Indian or of the tribe, as no Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married. If the Indian is married, write "M" and the number of times he or she has been married.

Column 40. Whether now living in polygamy. If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters. If the Indian man is living with more than one wife, and if the wives are sisters, write "Yes" in this column; otherwise, write "No."

Column 42. Graduated from what educational institution. If the Indian has graduated from any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed? An Indian is taxed if he owns property, real or personal, which is assessed for taxation by the State or county authorities, or if he or she is living among white people as an ordinary citizen, and pays taxes of any kind, or if he or she is living among white people as an ordinary citizen, and is liable to pay taxes of any kind, or if he or she is living among white people as an ordinary citizen, and has acquired citizenship. In either of these last cases write "Yes."

An Indian who is a non-taxpayer, without any property, or simply because exempt by law, is "not taxed," and in such instance the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment. If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands. If the Indian lives on his own land, write "Yes." If not, write "No," if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling. If the Indian is living in a house of civilized type, such as log, frame, brick, or stone house, write "Civ." after the name. If the Indian is living in a tent, tepee, cliff dwelling, etc., write "Abor." after the name.

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S–1570) as members of the families in which they are found. Indians living in white or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed wholly or in part of Indians should be enumerated entirely on this special schedule, and every family composed entirely of persons not Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the lines for each person running twice to the page. Columns 1 to 46 are to be filled for each individual, as directed in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill each column so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you are using both the general population schedule (Form S–1570) and this schedule for Indian population, number the dwelling houses for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be equal to the last number in column 1 on the general population schedule, and the last number in column 2 on this schedule will give the number of families visited and enumerated on this schedule; and, likewise, the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated on that schedule.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the people or the tribe. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation you will in most cases be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter here his occupation. In columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian, man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian was born in this country answers should be obtained, if possible, to inquiries 12, 13, and 14, relating to the state or territory of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which the person is connected and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is of full blood, write "full" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as (column 36, Indian) 1, (column 37, white) 1, and (column 38, negro) 0. For Indians of mixed blood all three columns should be filled, and the sum, in each case, should equal 1, as 4, 0, 4; 4, 4, 0; 4, 4, 4; etc.

Wherever possible, the statement that an Indian is of full blood should be verified by inquiry of the older men of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter in this column the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living with more than one wife, and if his wives are sisters, write "Yes" in this column. If his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he or she is a member of a tribe that has left its tribal relations and is living among white people as an individual, and as such is subject to taxation, whether he or she actually pays taxes or not; or if he or she is living with his or her tribe but has received an allotment of land, and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ." (for civilized) in this column; but if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor." (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S–1589) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of Indians should be reported *entirely* on this special schedule, and every family composed mainly of persons not Indians should be reported entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the entries for each person running twice to the page. Columns 1 to 46 are to be filled for each individual race. For exceptions, see instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule (Form S–1589), so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions for filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you find Indians on the general population schedule (Form S–1589) and this schedule for Indian population, number the pages consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of families visited and enumerated in that territory, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in the entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining correctly the ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe. It will be necessary to ascertain the years in which these notable events occurred, and, with a little calculation, you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a mere child and has no occupation and is wholly dependent on the Government for support, write "Less than 1 year" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write his occupation in columns 18 and 19, and then the letter "R" (for ration).

For Indians of mixed blood the three columns should in each case, should equal 16, as 4, 8, 4; 4, 4, 8; 2, 2, 12; etc.

Wherever possible, the statement that an Indian is of full blood should be based upon the records of the tribe, as an Indian is sometimes of mixed blood without appearing to be.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8-1589) as members of the families in which they are found; but Indians living in white or negroes living in Indian families should be enumerated on this special schedule, and not on the general schedule, families in which they are found. In other words, every family composed mainly of Indians should be enumerated entirely on this special schedule, and every family composed mainly of persons not Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each individual (see [illegible] instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. For [illegible] so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions in relation to filling columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8-1589) and this schedule for Indian population, make two [illegible] for these columns, one series in each kind of schedule, so that the last number in column 1 on the [illegible] to the last number in column 1 on the general population schedule will give the whole number of [illegible] and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in your mind you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter [illegible] in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian [illegible] child has no occupation and is wholly dependent on the Government for support, write the [illegible] 18. INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in taking the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations are to be enumerated on the general population schedule (Form S-1570) as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special schedule, the Indians in the Indian families in which they are found. In other words, every family composed entirely or in part of Indians is to be enumerated entirely on this special schedule, and every family composed entirely of persons other than Indians is to be enumerated on the general population schedule.

Spaces are provided for entries for 30 persons on each side (A and B) of the sheet, the numbers for each person running twice to the page. Columns 1 to 46 are to be filled for each Indian enumerated, according to the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Fill them in so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given subdivision, you enter upon this schedule the same dwelling and family as upon the general population schedule (Form S-1570) and this schedule for Indian population, you will enter the same numbers for these columns, so that the last number in column 1 on the general population schedule will correspond to the last number in column 1 on the general population schedule, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in the subdivision.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe. If you find it impossible to ascertain the years in which these notable events occurred, and with a little questioning you will usually be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his trade or profession in column 18 and 19 in accordance with the general instructions for returning occupations. If the Indian is a minor or child—has no occupation and is wholly dependent on the Government for support, write "Ration" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used to enumerate Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families should be enumerated on the general population schedule (Form S 1565) as members of the families in which they are found. In other words, every family composed entirely or in part of Indians or negroes living in Indian families should be enumerated on this special schedule, and every family composed entirely of persons living in white families should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, running twice to the page. Columns 1 to 46 are to be filled for each individual. See instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given territory, you use the general population schedule (Form S 1565) and this schedule for Indian population, number consecutively for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited and enumerated, and, likewise, the last number in column 2 on this schedule is added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe, and often cannot ascertain the years in which these notable events occurred, and with a little patient questioning you may be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter his occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian child has no occupation and is wholly dependent on the Government for support, enter "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, enter his occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form 8–1850 as members of the families in which they are found. Indians or negroes living in Indian families should be enumerated on this special Indian schedule as members of the families in which they are found. In other words, every family composed entirely of Indians should be reported entirely on this special schedule, and every family composed mainly of persons not Indians should be reported on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, these being the usual pages running twice to the page. Columns 1 to 46 are to be filled for each individual, as directed in the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. Follow instructions so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns on the general population schedule (see book of instructions), but note the following additional instructions in relation to certain columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8–1850) and this schedule for Indian population, make two independent series of numbers for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will give the whole number of dwellings visited, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated on your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the exact ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the respective tribes. Endeavor to ascertain the years in which these notable events occurred, and with a little calculation in most cases you will be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter in the appropriate columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian, whether a child or not, has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in making the enumeration of Indians, both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations, or persons of mixed white and Indian or negro and Indian blood living in white or negro families outside of reservations, are to be enumerated on the general population schedule (Form 8-1589) as members of the families in which they are found, and not on this schedule. All Indians or negroes living in Indian families should be enumerated on this special Indian schedule as members of the Indian families in which they are found. In other words, every family composed mainly of persons of Indian blood is to be enumerated *entirely* on this special schedule, and every family composed mainly of persons not Indians should be enumerated entirely on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, but names should be written in every other space, running twice to the page. Columns 1 to 46 are to be filled for each individual case. If any of these columns are not applicable, see the following instructions.

Columns 1 to 32.—These columns are identical with those on the general population schedule. They should be filled out so far as the inquiry applies, in accordance with the instructions for filling the corresponding columns of the general population schedule (see book of instructions), but note the following additional instructions relating to columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers.—If, in canvassing a given territory, you are using both the general population schedule (Form 8-1589) and this schedule for Indian population, number the dwelling-houses and families for these columns, one series in each kind of schedule, so that the last number in column 1 on the general population schedule will be equal to the last number in column 1 on the special population schedule, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in your entire district.

Column 7. Age at last birthday.—Some difficulty may be met in ascertaining the correct ages of Indians, as they frequently reckon their ages from notable events occurring in the history of the people. Endeavor to ascertain the years in which these notable events occurred, and with a little examination on your part you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation.—If the Indian is wholly self-supporting, enter his or her occupation in columns 18 and 19 in accordance with the general instructions for returning occupations. If the Indian—man, woman, or child—has no occupation and is wholly dependent on the Government for support, write "Ration Indian" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

CONTINUED FROM "A" SIDE OF SHEET.

The following instructions apply to columns 33 to 46:

Columns 33, 34, and 35. Tribal relations.—If the Indian, was in any way related to any person enumerated on this schedule, if possible, to inquiries 12, 13, and 14, relating to the state or country of birth of the person and of his or her parents. In any event, take particular pains to secure the name of the tribe with which each person is connected and the name of the tribe of each of his or her parents, and enter the same in columns 33, 34, and 35.

Columns 36, 37, and 38. Proportions of Indian and other blood.—If the Indian is full blood, write "1" in column 36, and leave columns 37 and 38 blank. If the Indian is of mixed blood, write in columns 36, 37, and 38 the fractions which show the proportions of Indian and other blood, as follows: If [illegible] and (column 38, negro) 0. For Indians of mixed blood all three columns should be filled, and the sum of the fractions in each case, should equal 1, as 4/4, 0, 4/4; 3/4, 1/4, 0; 3/4, 1/4, 4/4, etc.

Wherever possible, the statement that an Indian is of full blood should be verified by reference to the records of the tribe, as an Indian is sometimes of mixed blood without knowing it.

Column 39. Number of times married.—If the Indian is married, enter 1 in this column; if he or she has been married more than once, enter the number of times he or she has been married.

Column 40. Whether now living in polygamy.—If the Indian man is living with more than one wife, write "Yes" in this column; otherwise, write "No."

Column 41. If living in polygamy, whether the wives are sisters.—If the Indian man is living in polygamy with more than one wife, and if his wives are sisters, write "Yes" in this column. If he is living in polygamy and his wives are not sisters, write "No."

Column 42. Graduated from what educational institution.—If the Indian is a graduate of any educational institution, give the name and location of such institution.

Column 43. Is this Indian taxed?—An Indian is to be considered "taxed" if he owns property which is taxed by his tribe and is living among white people as an individual, and as such is subject to all the laws, whether he actually pays taxes or not; or if he or she is living with his or her people on land which is held for individuals and thereby has acquired citizenship. In either of these two cases write "Yes" in this column.

An Indian on a reservation, without an allotment, or roaming over unsettled territory is considered "not taxed," and for such Indians the answer to this inquiry is "No."

Column 44. If Indian has received allotment, give year of allotment.—If the Indian has received an allotment of land, enter, in column 44, the year in which the allotment was made.

Column 45. Residing on his own lands.—If the Indian lives on his or her own land, write "Yes" in this column; if the Indian lives elsewhere, write "No."

Column 46. Living in civilized or aboriginal dwelling.—If the Indian is living in a house of civilized design, as a log, frame, brick, or stone house, write "Civ" (for civilized) in this column. But if the Indian is living in a dwelling of aboriginal design, as a tent, tepee, cliff dwelling, etc., write "Abor" (for aboriginal).

INSTRUCTIONS FOR FILLING THIS SCHEDULE.

This modified form of the general schedule for population is to be used in taking the enumeration of Indians both those on reservations and those living in family groups outside of reservations.

Detached Indians living either in white or negro families outside of reservations should be enumerated on the general population schedule (Form S. 1570) as members of the families with which they are found. In other words, every family composed in part or wholly of Indians should be enumerated on this special schedule, and every family composed entirely of persons other than Indians should be enumerated on the general population schedule.

Spaces are provided for entries for 20 persons on each side (A and B) of the sheet, the lines on both sides running twice to the page. Columns 1 to 16 are to be filled for each Indian, as directed in the following instructions.

Columns 1 to 32. These columns are identical with those on the general population schedule, and are to be filled so far as the inquiry applies, in accordance with the instructions for filling the general population schedule (see book of instructions), but note the following additional instructions for columns 1 and 2, column 7, and columns 18 and 19.

Columns 1 and 2. Visitation numbers. If, in canvassing a given minor civil division, the general population schedule (Form S. 1570) and this schedule for Indian population, Form S. 1571, are used, the entries for these columns, one series in each kind of schedule, so that the last number in column 1 on this schedule will be next to the last number in column 1 on the general population schedule used in the same district, and, likewise, the last number in column 2 on this schedule added to the last number in column 2 on the general population schedule will give the whole number of families visited and enumerated in the entire district.

Column 7. Age at last birthday. Some difficulty may be met in ascertaining the exact ages of Indians, who frequently reckon their ages from notable events occurring in the history of the tribe. Inquire so as to ascertain the years in which these notable events occurred, and with a calendar in your hand you should be able to ascertain the exact age of each Indian.

Columns 18 and 19. Occupation. If the Indian is wholly self-supporting, enter dash (—) in each of columns 18 and 19 in accordance with the general instructions for entering occupations. If the Indian is a child who has no occupation and is wholly dependent on the Government for support, write "None" in column 18. If the Indian is partly self-supporting and partly dependent upon the Government, write the occupation in columns 18 and 19, and then the letter "R" (for ration).
